Works of Mercy

With the COVID-19 Lockdown, our WOM team have been unable to continue with their normal initiatives, so we have decided to support a wonderful initiative orchestrated by the Ward 23 councillor and Pick n Pay Mulbarton to provide food hampers to the needy in Johannesburg south.

We as St Andrews TAC Suideroord have sponsored a number of hampers, and are encouraging our parishioners to support this personally if they wish to / are able to. And, indeed, if any parishioner knows of a "neighbour" in need, to communicate this with the WOM leadership.

"Help us not to sleep whilst those around us weep".

God bless,

Works of Mercy team
